Docket No. C2001-3

NOTICE OF THE UNITED STATES POSTAL SERVICE REGARDING FILING OF
LIBRARY REFERENCE C2001-3/10
IN RESPONSE TO PRESIDING OFFICER'S RULING NO. C2001-3/23
(July 3, 2002)

In response to Presiding Officer's Ruling No. C2001-3/23 (April 9, 2002), the Postal Service hereby gives notice that it is filing today the following Category 4 Library Reference:

C2001-3/9 EXFC and ODIS First-Class Mail Originating and Destinating
Scores Before And After Service Standard Changes

It is intended that the Library Reference contain the following:

- (a) available quarterly originating and destinating EXFC service performance scores by performance cluster for the two fiscal years (FY 1998-1999) preceding the service standard changes at issue in this proceeding, as well as the fiscal year quarters following the implementation of the service standard changes (beginning with FY 2001 Q 4) ; and
- (b) available ODIS quarterly originating and destinating time-in-transit scores by customer service district (near equivalent of performance cluster) for the same time periods.

No originating EXFC data exist for periods before FY 1998, Quarter 3. Accordingly, for FY 1998, Quarters 1 and 2, only destinating data are reported.

Because of an internal miscommunication, the "post-change" quarterly ODIS reports are still in the process of being generated. Therefore, as of today, the library reference contains available "pre-change" EXFC and ODIS reports, as well as the "post-change" EXFC reports. The library reference will be supplemented by their inclusion at the earliest date possible.

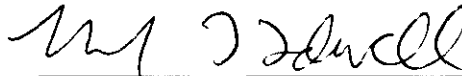

For convenience, the Library Reference also contains a guide listing the 3-digit ZIP Code areas associated with each ODIS customer service district.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
